

Bristol & District Moth Group field meeting Troopers Hill, Bristol ST628 734 26th
May 2006.

Present: John Aldrich, Mike Bailey, Ray Barnett, Rupert Higgins, Steve Ogden,
Dave Pritchard.

After a wet morning and following several wet days, the evening had cloud cover and high humidity but a strong wind. Three mv lights were run (courtesy of MB, SO and DP) in the lee of the wind where possible. These lights were run from 9.30pm to 11.15pm. About a dozen members of the public/members of the Friends of Troopers Hill attended.

Species seen:
